WORK DESCRIPTION

2014 - Current **Koorsen Fire & Security | Indpls, IN** – Sr. Graphic Designer
Work as part of a very small marketing team to support and market a 100 million dollar company. Responsible for all marketing material produced internally. Create and develop branded campaigns that work seamlessly between print and web. Work with print vendors. Shoot, light, and edit videos distributed online. Photography of products and “real-world” scenarios.

2006 - Current **Wood Mill, LLC** – Owner Operator
Wood Mill is the parent company for HangarThree.com, professional photography, and freelance projects.

2010 - 2014 **BoxCrush | Indpls, IN** – Lead Designer
Design and code websites. Building sites in Wordpress (PHP) or Sitefinity (.NET). Shoot on-site photography and video. Design catalogs and various print materials. Meet with clients to discuss their needs in a website. Suggest possible options in enhancing their brand through their website. Brought in several new clients from them discovering other websites I have designed for BoxCrush.

2008 - 2009 **Surface 51 | Champaign, IL** – Graphic Designer
Worked as a team to build and code websites. Continued print production on catalogs. Shot and edited video promos for the web. Created motion graphics for use on the web and TV.

2007 - 2008 **Borders Books Corp. | Ann Arbor, MI** – Interactive Designer
Worked at the corporate office producing multimedia material. Ranging from weekly emails, micro sites, photographing items for web use, and creating animations for in-store kiosks.

2005 - 2007 **Communica | Toledo, OH** – Graphic Designer
Worked as a team to produce print, web, and video branding. Designed catalogs, ads, trade show displays, TV spots, cinema slides, and motion graphics. Won 2 Gold ADDYs and 2 Silver ADDYs for Campaigns and Animation.
